“ IN THIS  
WORLD  
OF  
VIOLENCE  
AND  
GLOOM

CAN WE  
MAKE

ROOM

TO FIND  
LOVE  
AND  
CARE?

IT'S A

BUT  
WORTH  
IT I

## Welcome February!

February is only twenty eight days long, but they are going to be full! Groundhog Day will undoubtedly reveal that there is indeed plenty more winter coming our way. But we'll look ahead to celebrating Mardi Gras with Cajun cuisine and the spirit of Carni-

val! For Valentine's Day we'll live it up

with a party full of music and sweets. The Chinese New Year is around the corner and reminds

us of new beginnings. We'll also take time to observe the importance of history as we remember President's Day and African American History Month. There's a lot to LOVE about February!

## Love is in the Air!

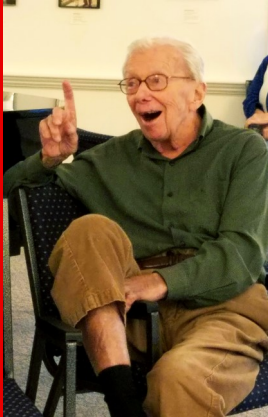

Roses are red, violets are blue, we're having a party, invite your friend too! Okay, that was terrible, but the party

will be great! We'll celebrate together at our Valentine's Day Party. There'll be the sweet sounds of music by

Paul Hubert and delectable treats will abound! Invite a friend and spread the love!

## Last Month in Review

January was as wintery as it gets but we made it through! We popped the Champaign to kick off the new year and we reminisced over photos of by-

gone days at the “Then and Now” exhibit. We created a sculpture garden in art class and whipped up lots of good eats in the Courtyard cooking Club. We

beat the winter doldrums on Beach Day! We watched the snow fall and the skiers zoom down Mt. Sunapee. Let Punxsutawney Phil say what he will, winter isn’t so bad!

## Welcome to our New Residents!

Our Woodcrest Community is ever-expanding and this month has been no exception! Around the halls, you may run

into a new face or two. We’d like to extend a very warm welcome to new faces; Mary Teach, Don Bent, Joe Dechant, and

Sam Fleming. We hope they will feel very much at home and we look forward to getting to know them!

## And Also...

We’ll be enjoying the company of some fabulous students from CSC! Look out for great exercise classes with Chris Manwar-

ing who is a Psychology major. And in the Courtyard, Evelyn Miller, a Biology Pre-med major, will be offering music therapy ses-

sions. We’re so happy to have them at Woodcrest Village!
