“The best loved stories are not from books or films, but those from our own families”

- Jane McGarvey

Hello September!

September ushers in Autumn which is a famously beautiful and nostalgic time in New England. As the seasons change, it's easy to become reflective and look back at our life's stories. On 9/5 We will be celebrating some of those memories with a new exhibit in our Community

Room called, “Our Treasures.” Residents have shared select pieces of art that have been meaningful to them and these will be on display all month. That is why this is an excellent time to put pen to paper and flesh out some of the moments in our lives that we hold dear. This

month, on Friday mornings, from 10-11am, Nicolette Asselin will be leading a “Life Stories” writing group. The aim is capture cherished memories, to preserve the funny, sweet and momentous times for our family and friends. Join us and tell your story!

Autumn Begins!

That smell in the air, the amber light, the brilliant color in the trees, it all points to one fact: fall is upon us! This year, the Autumnal Equinox is on September 23rd. The September equinox marks the moment the Sun crosses the celestial equator and the day and night are of equal lengths. Let's welcome this cool, contemplative time of year and enjoy it for all its glory.

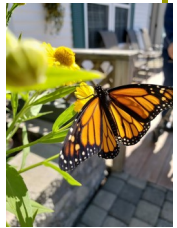

Last Month in Review

August was full of summery enjoyment! We read poetry on the deck, and had a blast on the MV Mt. Sunapee. We celebrated Hospital Days by cruising in the parade in a cool con-

vertible. There were performances by Beth Eldridge, Click and Joan Horning, and Jim Hollis just to name a few! In the Courtyard, we had a country fair, complete with mid-way

games and caramel apples! A trip to the Fells was just as lovely as always. We wrapped up our summer film series and took in the last of a fantastic season at the Barn Playhouse! So much summer to savor!

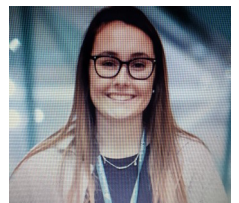

Early Autumn Trips!

September is a great time to take a ride in New England. This month we'll hit the road and take a fall foliage excursion on the Hobo Railroad on September 10th. We'll also visit the one-room Tucker Mt. School House. There will be rides up Mt. Kearsarge, to Pleasant Lake and all round leaf peeping! Keep your eye on the calendar and sign up to go!

Welcome New Intern Talia Hardy!

“My name is Talia and I will be spending some time with all of you from September till December! I go to Colby-

Sawyer College and will be graduating in December with a bachelors in Sociology. My overall aspiration in life is to help

people. When I have some free time I love to spend it watching the sunset as no one sunset is the same. I look forward to getting to know all of you!”
