October Fun!

October certainly displayed all of her fall colors in grand fashion. Among our many trips to take in the seasonal beauty, was a private tour of the New London Historical Society. We learned so much about the history of this area and enjoyed seeing the impressive collection of historic artifacts and memorabilia.

Flu Shot/COVID Booster Clinic

As the winter months are fast approaching, now is the time to get your annual flu shot and COVID booster—Tuesday, November 15 at 9:30am in the Country Kitchen.

Where's Winston?

Somewhere in each issue of the Woodcrest Villager you will find a miniature version of our beloved house dog, Winston. When you find him, submit an entry form at the Concierge Desk and be entered to win a prize.

November 8 is Election Day!

Many residents have made plans to vote absentee or by mail. If you wish to visit the polls in person on Election Day, we will be providing rides. Please see Megan Loomis in Activities to sign up for a ride.
